BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

NOTES—First sheet.

GPB—15,000—24-4-09

Bangalore, 24th April 1910.

Dear Mr Govinda Row,

May I intrude on your time a little ? The fact is that I interviewed the Dewan some time ago and represented to him the matter of the imrovement of my official position and prospects. He was pleased to direct me to give him a memo, mentioning what I had to say and that he would make use of it when an opportunity occurred. I have accordingly prepared a brief memo, which I herein enclose. I shall deem it a favor if you will kindly place it before the Dewan reminding him of the above.

Kindly pardon trouble.

Yours sincerely,

Memorandum

1. I was entertained as Assistant Superintendent, General and Revenue Sectt in August 1905, on a salary of Rs 140.

2. At the time when I gave up the legal profession for sevice under the - Mysore Government, I was a practising vakil in Tanjore with - in my humble opinion - a promissing practice.

3. When I learnt that it had been ordered appointing me Asstt Supt G.R.S, I respectfully expressed my disinclination to take it up, but the then Dewan Sir Krishnamurti advised me to accept it and clearly gave me to understand that the appointment then given me was simply a stepping stone to what I desired and that as there was no vacancy then, I could not be given an Asstt Commissioner's place.

4. That such was his intention will also appear from the following extract, from his submission note of my case to His Highness:-

> "Mr Krishnasami Row's aspiration is to be appointed a Munsiff or a Probationery Asstt Comr. His own individual qualifications as well as his lineage quite befit him for the high start that he wants and if I do not recommend him for either of these appointments, it is not because he is unworthy of them, but because we have them overstocked. There are 3 Judicial probationers and four probationery extra Asstt Commissioners. It does not seem advisable that Mr Krishnasami Row should wait idly in expectation of getting any of these appointments."

5. Nearly five years have elapsed and I am practically where I began, being now only a 2nd grade Supt on Rs 170

6. The bringing in of an officer from outside the Secretariat to fill up the recent Registrar's vacancy, introduces an element of uncertainty in the prospect of promotion even to vacancies in the Sectt that occur in the usual course.

In consideration of what was virtually a promise to give me an Asstt Comr's place, I respectfully beg to submit that my case deserves to be considered, when filling up vacancies in the higher grades of service.

Dear Mr Chakravarti,

My dear Balasundaramayer,

The ultimate aim is to abolish the Hugur Treasury officer and to place one of the trained Asstt Comptrollers in charge. But that aim can be realized only gradually after the new arrangements have been found to work satisfactorily for some time. Moreover, the modifications made by Govt in my proposals, requiring Bank work, Pallegar pension work &c to remain in the State Hugur Treasury makes it necessary to retain the separate H.T. office for some time. Before the end

of the current financial year
I hope to submit proposals to
first + convert the State Hygne
Insp into the "State Hygne
Treasy Dept" of the Comptroller's
office and to abolish the separate
Hygne Insp offices altogether. Considering
that practically the whole time of
one of the Asst Comptrs will be
taken up by ~~district~~ local audit work,
the first will see that the economy
effected by the above arrangement
will be really great. To put it more
clearly, I shall be taking up new
work occupying an officer's full time and
at the same time reducing the sta

of officers by one - All this will require careful reorganization & readjustment of the office and cannot be done in haste.

Yours sincerely
J. Chakravarti

I do not think it desirable that the proposed Amendment should be made in the Act. The matter is one which can be dealt with by Regulations made under the Act.

I have no objection.

It has not been usual to appoint an Officer to act as an Asst Commr without Service as an executive Officer - Asst Commr Staff or Police Insp^r. I think there is much to recommend in this practice Except for this, there would be no objection to the proposed appointment.

Submitted to His Highness.

I submit herewith the file of papers relating to the appointment of Mr. N. Krishnaswami Rao B.A., B.L., Superintendent of the General and Revenue Secretariat, Financial Branch, as an acting Assistant Commissioner and posting him for charge of the State Huzur Treasury during the absence of Mr. T. Chokkanna, transferred for charge of the Jail consequent on the grant of leave to Mr. Achyutha Rao.

2. The First Councillor has no objection to the appointment.

3. The Second Councillor has noted that it has not been usual to appoint an officer to act as an Assistant Commissioner without service as an executive officer - Amildar, Munsiff or Police Inspector,- and thinks that there is much to recommend in this practice. Except for this, he has noted that there would be no objection to the proposed appointment.

4. As the matter was urgent, an officer being urgently required for charge of the Huzur Treasury, the draft order has been issued.

5. I solicit approval of the arrangement. The present order is intended to provide for the immediate

immediate special need on hand, viz. the charge of the State Huzur Treasury in its transition stage.

6. But the remarks of the Second Councillor raise an important question which affects Krishnswami Rao personally. It is evident from his (Mr. Krishnaswami Rao's) representation dated 24th April 1910 annexed, that six years ago he gave up a lucrative practice at the bar in the Tanjore District in the hope of being advanced in the Mysore State Service on account of family and other considerations; and it behoves Government to place him in the way of advancement to the full measure of his deserts. He is a B.A., B.L., and cannot always remain a Superintendent in the Secretariat. The point is one for His Highness' gracious consideration and orders.
